

Legal Training Catalogue

2026

Our Training Approach

At Global Advocacy & Legal Counsel, we deliver practical, engaging, and tailored legal training programmes designed to address the specific needs of your organisation and audience.

WHAT WE OFFER

- Expert-led training sessions across a wide range of legal topics.
- Interactive and practical content focused on real-world application.
- Fully customised programmes aligned with your business objectives and priorities.

TRAINING FORMAT

- 1-hour focused sessions, including a dedicated Q&A segment.
- Comprehensive supporting materials provided for participants.
- Recorded sessions available for future reference and ongoing learning.

We would be pleased to tailor the programme, prioritise specific subjects, and develop bespoke content to meet your 2026 training objectives.
